The day will end when all questions have been answered (or 7:30pm).

### **Reminders prior to the class:**

1) **You must register to take the exam.** If you will be taking the exam after the class, you should already have your approval from BICSI and have made an appointment with Pearson-Vue. They do not take walk-ins. If you still need to apply to BICSI, send the application (online) and letters of reference (required for approval), and the required fees no later than 30-days prior to the exam date of your choice! Not registering for an exam, does not mean you cannot sit in the class!

2) **You must purchase, or have access to, the current BICSI manual (and bring to class!)**

3) **You must come prepared!** CET cannot stress enough, the importance of being prepared for this review class! It is your responsibility to complete the workbooks you received with your pre-study materials! You can put off the exam to a later date should this be necessary, but attendance in the class is still required... even if the workbooks are not completed this should not deter you from attending class!

4) **CET requires payment prior to the beginning of class**, unless alternate arrangements have been made. (If you have already complied with the above, please disregard). Should it become necessary, please refer to our website ([www.cetweb.com](http://www.cetweb.com)) for any transfer or cancellation policies and/or information.
