Reminders prior to the class:

1) **You must register to take the exam.** If you will be taking the exam after the class, you should already have your approval and have made an appointment with Pearson-Vue. They do not take walk-ins. If you still need to apply, send the application (online) and any other requirements, and the required fees no later than 30-45 days prior to the exam date of your choice! Not registering for an exam, does not mean you cannot sit in the class!

2) **You must purchase, or have access to, the current CTS Exam Guide, 2nd Edition (and bring to class!)**

3) **You must come prepared!** CET cannot stress enough, the importance of being prepared for this preparatory review class! It is your responsibility to complete the workbook you received with your pre-study materials! You can put off the exam to a later date should this be necessary, but attendance in the class is still required... even if the workbooks are not completed this should not deter you from attending class!

Should it become necessary, please refer to our website (www.cetweb.com) for any transfer or cancellation policies and/or information.
